

# RF Inductors

## SMD Air Core Inductors Non-Flat Top - AD Series / 贴片空芯线圈电感

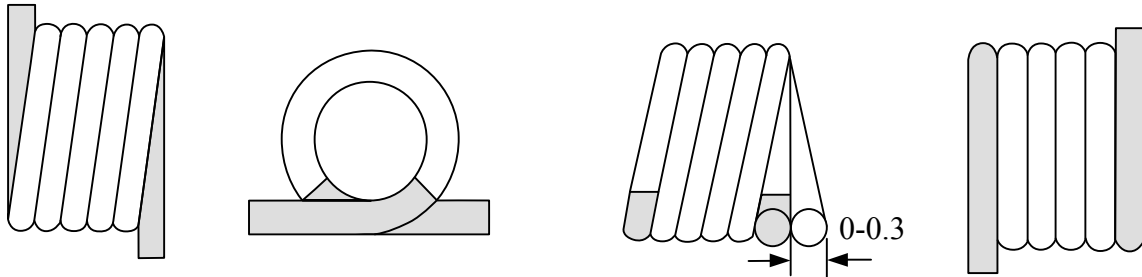

### ▶ SMD Air Core Inductor Features

- High frequency
- Highest possible SRFs as well as excellent Q values

### ▶ Applications

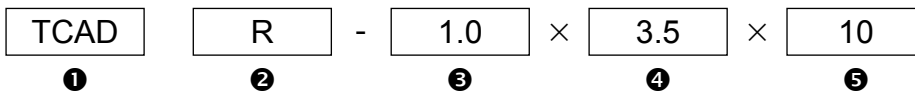

- Pager, Cordless phone & High Freq. Communication Products

### ▶ SMD Air Core Inductor Configurations & Dimensions (unit: mm)

Note: Design as Customer's Requested Specifications.

### ▶ How to Order

❶ SMD Non-flat Top Air Core Inductors

❷ Type of Winding

Code	Type of Winding
R	Clockwise winding
L	Counter clockwise winding

❸ Wire Diameter (mm)

❹ Inner Diameter (mm)

❺ Numbers of Turns
